INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

August 8, 2006

Department of Health and Human Services
State of South Carolina
Columbia, South Carolina

We have performed the procedures described below, which were agreed to by the South Carolina Department of Health and Human Services, solely to compute the rate change and related adjusted reimbursement rate to be used by the Department in determining the reimbursement settlement with Allendale County d/b/a John Edward Harter Nursing Center, for the contract period beginning January 1, 2003, and for the twelve month cost report period ended September 30, 2001, as set forth in the accompanying schedules. The management of Allendale County d/b/a John Edward Harter Nursing Center is responsible for the Financial and Statistical Report for Nursing Homes and supporting accounting and statistical records. This agreed-upon procedures engagement was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Department of Health and Human Services. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures and the associated findings are as follows:

1. We selected costs or areas based on our analytical procedures applied to the reimbursable Medicaid program costs as shown on the Financial and Statistical Report for Nursing Homes, as filed by Allendale County d/b/a John Edward Harter Nursing Center, to determine if these costs were allowable as defined by the State Plan for Medicaid reimbursement purposes and supported by accounting and statistical records maintained by the Provider. Our findings as a result of these procedures are presented in the Summary of Costs and Total Patient Days, Adjustment Report, and Cost of Capital Reimbursement Analysis sections of this report.
2. We recomputed the Computation of Reimbursement Rate using the adjusted costs and calculated the rate change in accordance with the provisions of the contract between the South Carolina Department of Health and Human Services and Allendale County d/b/a John Edward Harter Nursing Center dated as of October 1, 2001, as amended. Our findings as a result of these procedures are presented in the Computation of Rate Change and Computation of Adjusted Reimbursement Rate sections of this report.

This report is intended solely for the information and use of the South Carolina Department of Health and Human Services and is not intended to be and should not be used by anyone other than the specified party.
